## TECHNICAL SKILLS

- HTML
- CSS
- Tailwind CSS
- JavaScript
- TypeScript
- React
- Next.js
- Mongo DB
- Git
- GitHub

## PROFESSIONAL EXPERIENCE

### Pamantasan ng Lungsod ng Maynila

July 2023 – August 2023

*Frontend Developer Intern*

- Developed the UI/UX design and the frontend of the **Student Management System** that facilitated the enrollment of 1,500+ freshmen students for the 2023-2024 school year.
- Adapted to the fast-paced development process of the Information Communications Technology Office of Pamantasan ng Lungsod ng Maynila.

## PROJECTS

### Counselling Appointment System

September 2023 – January 2024

*Frontend Developer and UI/UX Designer*

- Collaborated with the Backend Developer, Project Manager, and Tester to deliver the appropriate UI/UX design and frontend solutions for the system.
- Utilized **React**, **Next.js**, **Tailwind CSS**, and **shadcn/ui** to develop a user-friendly, accessible, and responsive web application that adapts to screen sizes as small as Samsung Galaxy Fold.
- Adapted to the changes demanded by the client during the development process of the system.
- Deployed the system on Pamantasan ng Lungsod ng Maynila's self-hosted **Apache** web server.

## EDUCATION

### Pamantasan ng Lungsod ng Maynila

September 2020 – Present

*BS in Computer Science*

- Dean's Lister for school years 2020-2021, 2021-2022 (1<sup>st</sup> Semester), 2022-2023, and 2023-2024 (1<sup>st</sup> Semester)
- Has a current GWA of 1.49 which qualifies for Magna Cum Laude.

## VOLUNTEER EXPERIENCE

### Google Developer Student Clubs PLM

October 2022 – Present

*Volunteer Web Developer*

- Underwent an output-based, self-paced bootcamp for the foundations (**HTML**, **CSS** and **JavaScript**) and advanced concepts of web development (**React**).
- Among the frontend developers of G-Connect – a social media application for students who wish to find a study buddy. This project is created in collaboration with the Google Developer Student Clubs EPITA – a GDSC chapter of a private, non-profit university in France.
